### "Positive Patrol" rewards kids for good deeds

Congratulations to the Federal Way Boys & Girls Club for winning a Merit Award for their "Positive Patrol" program. The Merit Award is given by BGCA to Clubs for incorporating programs that are fun, creative and effective.

Last spring, the Federal Way Club started running a program called "Positive Patrol." The program allows Club kids to acknowledge the positive actions of fellow members.

If a member is "caught" doing something good, their name and good deed is written on a piece of paper and placed in a jar. Once a week, three names are drawn and the Club kids who get picked get a special prize. In addition to these weekly treats, every patrol member receives a "Positive Patrol" T-shirt, an official badge and two tickets to the local skating rink.

Have you been caught by the "Positive Patrol?"
